

## POSITIONAL STATEMENT

6th December 2007

**From: Dr Zahoor Qurashi**

**To: Dr Abdul-Bari, Muslim Council of Britain (MCB)**

**Re: Holocaust Memorial Day**

“The Islamic Society of Britain welcomes news of the result now paving the way for the MCB to attend Holocaust Memorial Day. Attending the memorial has always been our position, because it puts the focus of attention where it matters: The evil of the Holocaust and its effects must not be forgotten, nor must its lessons. Never again.”
